

## Sins Forgotten > Hebrews 10:1-18

**10:1-4** *Bulls and goats were never enough.* The Old Testament sacrifices were only ever a placeholder pointing forward to the perfect – and necessary – sacrifice of Jesus.

**10:5-10** *Christ's sacrifice is enough.* Only Jesus offers what you and I need to be forgiven and made holy: the sacrifice of himself for our sins.

**10:11-18** *Christ's covenant is forever enough.* Unlike the Old Testament sacrifices – and unlike the practices of any other faith – Christ's one sacrifice is enough for everyone who trusts in him, forever.

**Background:** We've seen a number of contrasts between the Old Testament sacrifices and priests and between Christ's sacrifice and priesthood. Here, it all comes together.

**The Point:** Christ's perfect sacrifice ushers in the new covenant – one where we are made holy, and our sins are entirely, completely, and forever forgiven.

**Head:** Know that Christ's work is enough for you, forever.

**Heart:** Believe in Christ as your savior – as the perfect sacrifice to rescue you from your sin and guilt. Call on him as your Lord and follow after him as his disciple.

**Hands:** Freedom from sin changes everything. While we await the total transformation that Jesus has promised, we can show the world around us where forgiveness is found. How will you do that this week? Who will you tell?

**Here is how I will apply these truths:** \_\_\_\_\_
