

## Future Promises > Hebrews 11:17-40

**11:17-22** *Faith is rooted in trust, not doubt.* As Abraham shows us, the people of God are often called to trust him farther than they could understand.

**11:23-31** *Faith produces confidence in God, not fear.* The people of God are to make decisions based on the Lord – his character and promises – rather than by their fears.

**Background:** The first half of **Hebrews 11** taught us about how God’s people obtain his approval – not by works, but by faith in the promises secured by Jesus Christ.

**The Point:** Faith involves trusting all that Jesus has said and done; it is putting our knowledge of him into practice. It is a call to live by and respond to all that he has taught.

**Head:** How will you learn of and remind yourself of God’s promises this week?

**Heart:** What will help you trust God’s promises this week?

**Hands:** How will you live by faith in the days ahead?

**Here is how I will apply these truths:** \_\_\_\_\_
